Re: EST Fire Alarm System

The EST Fire Alarm System renovations located at 80 exchange Portland has been completed for phase #2 on the 3rd floor.

The system has been programmed and is working per the manufacturer's specifications with reference to NFPA 72,101 and local ordinances. The Guarantee/Warranty period of 1 year shall include Service and materials. Final testing for the entire building will be completed again with Phase #2

Thank you,

Tim Biron
