Hi Joshua,

That sounds good. I would definitely have it out there when I'm open 10-7 on Tuesdays and Fridays, and 10-5 on Saturdays. I would start displaying it as soon as the permit was approved by the city.

When you ask about weeks and months, were you thinking that I would temporarily having the sign displayed? I was intending to have it out there when I was in the office for last minute bookings and for advertising my web address.

Sincerely,
Cal

Hi Cal,

I actually have a call with the building owner tomorrow morning and will add this to my agenda if you can wait until tomorrow for an answer. Also, do you have a plan on the period of time (weeks, months) you would like to have it out here for?
