RE: 55 Union Street and Spring Street Art.- 32-I7 (the "Property") – B-3 Zone
With a PAD Overlay

Dear Ms. Osborne,

I am in receipt of your request for a determination letter concerning the Property.

The Property is located within the B-3 Downtown Business Zone with a Pedestrian Activities District (PAD) Overlay Zone along Spring Street Arterial and Middle Street which limits first floor uses in the Ordinance. To the best of my knowledge, the Property is in compliance with applicable zoning codes, regulations and related ordinances. The Property is currently vacant and has no building permits or certificates of occupancy on file.

Please note that this letter is not intended to address any issues related to subdivision reviews. The Assessor's office usually attaches separate chart-block-lot (C-B-L) numbers to lots that are described separately. The individual C-B-Ls do not indicate approved property subdivisions. The Assessor's offices are guided by State and City assessment regulations.

If you have any questions regarding this issue, please do not hesitate to contact me at (207) 874-8695.

Very truly yours,

Marge Schmuckal
Zoning Administrator
