The general contractor was given an order to stop work before we were on site. At this point please disregard the permit. If we happen to do the project we will fill out a new application. I apologize for the delay and getting this info to you. Thanks

We still have not received payment on this permit application. Please provide payment ASAP so the permit can move forward. If we do not hear from you soon, your application may be voided, and you will have to start the process over. We look forward to seeing this payment soon; thank you.

This is not an approval of your permit. Work cannot commence until the permit is issued.
