

Doc 207-772-4056

3/14/17

ATTN Katherine Setmer

I spoke with the electrical inspector for the City of Portland regarding 10 Exchange Street permits, Doug found my permit for the elevator & we are okay.

Regarding other work done by us, it was performed on a one for one basis, however I told Doug that we would pull permits for each unit at the end of the month when I return.

Any questions please call me at 632-0044

Thank you
