

Zafer Guven
399B Fore Street Portland, ME 04101
750 sqft Retail Store

399B Fore Street Project Description

1-Demolition of non load bearing partition walls installed by previous tenant.

2-Restoring original bathroom (plumbing for toilet and sink is already present)-previous tenant had moved the bathroom to the center of the store.

3-Fixing the drop ceiling so that its all one level- current drop ceiling has two different levels
