

Accessibility Building Code Certificate

Designer: Joseph Castner

Address of Project: 3 Canal Plaza, Portland, ME 04112

Nature of Project: Alteration of an existing banking investment center within an existing building. Includes a new private office and trading kiosks.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
