Re: Fore Street Garage - Portland

Mr. Baston;

We are confirming that White Engineering, LLC will be providing quality assurance / Special Inspection services on your above referenced project during the installation of the new solar array.

Inspection of welded and bolted connections will be performed as directed by Becker Structural Engineers and Quest Renewables.

Daily reports will be provided and a final report issued upon completion.

If you have any questions please do not hesitate to call.

Sincerely;

Neal J White
