Scope of Work: US Coast Guard Office, 2 Monument Square

Electrical Maintenance and Installation (EMI) will be installing new fire alarm devices for the USCG office fit up. The office will be located on the 2nd floor of 2 Monument Square. The building has an existing Notifier addressable fire alarm system which includes voice evacuation. This panel is located on the first floor.

There is an existing AES radio master box at the building and is also monitored by a 24 hour central station.

Norris Inc. will provide final connections and testing per City of Portland requirements and will provide all required documentation when work is complete.
