The names are the same although there is one new drawing. The drawings were revised in response to the historic board meeting but the permit application does not need to be changed. Please let me know if I need to do anything else.

Thanks,
Katherine

Are these plans replacements, and if so, were these named exactly as the original ones? What is the reasoning why they are changed? Does the permit need to be changed as well?

Good Morning,

I am attaching updated drawings for 424 Wharf Street that I would like to be swapped out for those on file.

Thanks,
Katherine
