Hi Todd,

Below is our logo that we will be using as our signage outside the building. The signage will be 2 1/2 feet circle of wood with attached an example of the look we are looking for with the bull. We would like to use the same structure with brackets comir hold sign as East End Cupcakes and other business along the building. Looking to just have a few chains to give the sign some g lighting on signage.

Please let me know if you need any further additional information. Thank you so much.

Lisa Nale
