HISTORIC PRESERVATION REVIEW

Note: Your property is an individually designated landmark structure or is located within a designated historic district. As such, alterations to the building exterior or site which are visible from a public way are subject to review and approval under Article IX (Historic Preservation) of the Land Use Code. Your building or sign permit application has been reviewed to determine whether the nature or scope of the project requires review, and if so, whether it meets the standards of the historic preservation ordinance.

ACTION

Does not Require Review (e.g. Interior work only / alteration is not readily visible from a public way)

Note: this finding is based on the understanding that the application entails interior work only or that the proposed exterior alteration(s) will not be readily visible from a public way. If your project entails exterior or site alterations (including the installation of sign(s), awnings, or exterior lighting for such) these alterations must be reviewed and approved prior to commencing with the work. Contact 874-8726 for more information.

Currently, Street & Co. hold a Beer & Wine only license. If they plan on conducting business as usual then they have no problem. Thanks for the e-mail. Jonathan

>>> Marge Schmuckal 02/12 1:57 PM >>>

Jonathan, I have received a permit from Street & Co. Restaurant to expand into the space next to them on the right hand side. Is this a problem as far as licensing or not (i.e. The Old Port Overlay license requirements)? I do not have a problem as far as general zoning. Thanks - Marge
