RE: 41 Wharf Street (432 Fore Street) – 032 R003 – B-3 – sidewalk sign for Rogue's Gallery

To whom it may concern,

This letter is a follow up to the phone call that building inspector Suzanne Hunt made to Rogue's Gallery on October 15, 2008 regarding a sandwich sign for Rogue's Gallery that had been tied to a light pole on Exchange Street. As Ms. Hunt said on the telephone, this is not legal and it needed to be removed and not hung there in the future.

You were issued a sign permit (#08-0079) on January 30, 2008 for a two-foot by three-foot hanging sign and a sixteen-inch by sixteen-foot building sign. This sign permit did not include a sidewalk (sandwich board) sign for Rogues' Gallery. If you would like to have a sidewalk sign you need to apply for a permit for one. There are certain restrictions for sidewalk signs including the size and location of them. I have included a sign permit application that has the specific requirements for a sidewalk sign.

Please feel free to call me at 874-8709 if you have any questions.

Yours truly,
