Re: 432 Fore St., Portland – Map 32, Block R, Lot 003

To Whom It May Concern:

I am in receipt of your letter dated June 22, 2016, seeking a zoning determination regarding the above-captioned property (the "Property"). This letter will answer each of your questions.

- The Property is located in the City's B-3 zone as well as within the Historic District Overlay Zone, the Downtown Entertainment Overlay Zone and the Pedestrian Activities District Overlay Zone. The Property's current legal use is personal service on the Wharf Street level, and on the Fore Street side the first floor is retail with an office and storage on the second floor and an apartment occupying the rear of the second floor and the third floor. These are all permitted uses within the zone (section 14-217). As requested, copies of certificates of occupancy issued for this property are attached.
- To the best of my knowledge, the Property is in compliance with all applicable municipal zoning and land-use codes, regulations and ordinances.
- A search of the City's records does not reveal any pending or threatened violations against the Property.
