Ok, just so you know, the permit will not be issued without that fee being paid.

We are working with the State Fire Marshal and local engineering firm. That process could take several months.

Once we have cleared that process, we will complete the City permit process and Certificate of Occupancy fee.

We still have not received this payment for the Certificate of Occupancy fee on this permit application. Please provide payment ASAP so the permit can move forward. We look forward to seeing this payment soon; thank you.

This is not an approval of your permit. Work cannot commence until the permit is issued.

Hi,

Permit #2015-02432 for 446 Fore St. actually involves a change of use. When you have a second can you send an invoice for the CofO fee? It would be best to send it to Larry Cushing at [larrycushing@outlook.com](mailto:larrycushing@outlook.com)

Thanks so much,  
Chris
