City of Portland,

Please consider the following application for review and approval for the expansion of a bathroom space and change of "C of O" for Blue Rooster Food Company at 5 Dana Street. A total cost of work is \$2200.00.

The scope of work is as follows:

- Remove a "non load bearing" partition in existing bathroom space and the attached suspended ceiling
- Construct a new partition to "square off" space allowing for a full ADA compliant bathroom space
- reposition ceiling sprinkler head to be centered within space-
- install wall hung toilet and hand sink to specified dimension in architectural plan-
- install new drop ceiling
- refinish floor

Blue Rooster wishes to create an ADA compliant bathroom in order to change our "C of O" from Retail to General Assembly, to increase seating and to be approved for a beer and wine license by the City of Portland and the State of Maine.

Thank you.
