To Whom It May Concern:

I am in receipt of your letter dated June 22, 2016, seeking a zoning determination regarding the above-captioned property (the "Property"). This letter will answer each of your questions.

- The Property is located in the City's B-3 zone as well as within the Historic District Overlay Zone, the Downtown Entertainment Overlay Zone and Pedestrian Activities District Overlay Zone. The current legal use of the Property is restaurant/drinking establishment on the first floor and personal service on the second floor. These are permitted uses within the zone (section 14-217). As requested, copies of certificates of occupancy issued for this property are attached.
- To the best of my knowledge, the Property is in compliance with all applicable municipal zoning and land-use codes, regulations and ordinances.
- A search of the City's records does not reveal any pending or threatened violations against the Property.

If you have any questions regarding this letter, please do not hesitate to contact me at (207) 874-8709.

Very truly yours,

Ann B. Machado
