**RE: Level II Site Plan Application  
Salvation Army Building Addition  
88 Preble Street  
Portland, Maine**

Dear Jean,

Walsh Engineering Associates, Inc. (WEA) is pleased to submit this revision to the Level II Development Review Application on behalf of the Salvation Army (Applicant) for the Kitchen & Dining Hall addition project located at their Adult Rehabilitation Center at 88 Preble Street. As you are aware, the location of the building addition was revised to the corner of Preble Street and Lancaster Street following input from the City staff review.

On behalf of the Applicant, we look forward to working with you to make this project a success. Please find enclosed the required Level II Site Plan application materials, full and reduced plan sets, and a CD with the electronic submission. Please contact us at your earliest convenience if you require any additional information.

Respectfully,

Silas Canavan, PE
