Hello Silas

Sorry for the delay in getting back to you.

I confirm that the replacement of the chain link fence (SE of former shop building, along property line with Alder) with a fence matching that around the new development at Alder/Lancaster, is approved as a diminimus amendment to the site plan.

Please note that you may need a building permit for this replacement.

Thank you  
Jean

Hi Jean,

Have you been able to get an answer on the additional fence discussed below?

Thanks,
