

9/13/16

Scope of Work: Schlotterbeck, 117 Preble St.

Corey Electric is installing a new addressable fire alarm system for the Schlotterbeck building located at 117 Preble St. in Portland.

The building is fully sprinkled. The panel will be located in Elevator Lobby 107. Norris Inc. is providing a new AES Radio Masterbox for direct fire department reporting. The panel also has a built in digital communicator.

Norris Inc. will provide the fire alarm equipment, submittal documents, and final connections and testing per City of Portland requirements.
