Hi Chris,

The executive board has unanimously approved the project. We don't have an approval document, but if essential for the process could work to supply one.

At a risk of over answering your question I'll provide some information about the Parris St. Block Condo Association. We are a 6 unit building with 2 owner and 4 tenant occupied units. The executive board is comprised of 3 unit owners. I serve as board president. My wife, Mary Beth, and I own 3 of the units, residing in unit 9-1 where the roof portico will be installed. This roof portico will cover an entrance used solely for unit 9-1.

Let me know if you need additional information.

Best regards,

Scott

Hi Scott,

I am in the process of reviewing your application for a portico roof at the above-referenced address. I wanted to find out if the condo association has approved the project? If there is an approval document, could you e-mail it to me?

Thanks,
Chris
