This letter is to inform you that 23 Portland St. Portland, ME (Apt# 8) was on schedule for service on 2 Jan, 5 Jan and 12 Jan 2018. The tenant was home on 2 Jan 18 and claimed no notification. The appointment was rescheduled directly with the tenant of 5 Jan and phone numbers were exchanged so that they could let me in on that day. On 5 Jan the door to the building was locked and the tenant could not be reached after multiple attempts by cell. The unit was again scheduled through management for 12 Jan. On that day the tenant claimed to be sick and refused service.

For question please contact me at the above number.

Thanks

Jim Carter
