Per my conversation with Craig M., at your office or the Fire Dept., we needed to submit a few more items for our fire alarm permit application for 111 Forest St, Portland Post Office:

1. Find attached the Stamped approval from the engineers for the fire alarm riser diagrams, as requested.
2. Nicet information Independent Systems Distributors: Christopher J. Whitmarsh, Fire Alarm Systems, Nicet Lever IV, Certification # 113917
3. The Post Office will have an approved vendor finalize the fire alarm sticker.

Please contact me for status of the permit.

*Please reply to confirm receipt.*

Thank you,  
*Debbie*
