Strengthening a Remarkable City, Building a Community for Life . www.portlandmaine.gov

Jeff Levine, AICP, Director Director of Planning and Urban Development

Tammy Munson Director, Inspections Division

Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a *legal signature* per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are *paid in full* to the Inspections Office, City of Portland Maine by method noted below:

Within 24-48 hours, upon receipt of an e-mailed invoice from Building Inspections, which signifies that my electronic permit application and corresponding paperwork have been received, determined complete, entered by an administrative representative, and assigned a permit number, I then have the following four (4) payment options:

options:		
to provide an on-line election and MasterCard) payment	etronic check or credit/debit card (we now (along with applicable fees beginning July	w accept American Express, Discover, VISA, y 1, 2014),
all the Inspections Officeredit/debit card payment	ice at (207) 874-8703 and speak to an over the phone,	administrative representative to provide a
land-deliver a payment m	ethod to the Inspections Office, Room 31	5, Portland City Hall,
or deliver a payment meth	od through the U.S. Postal Service, at the	following address:
	City of Portland	100
	Inspections Division	
	389 Congress Street, Room 31	5
	Portland Maine 04101	

Once my payment has been received, this then starts the review process of my permit. After all approvals have been met and completed, I will then be issued my permit via e-mail. No work shall be started until I have received my permit.

Applicant Signature:

6/29/15

I have provided digital copies and sent them on:

6/29/15

NOTE: All electronic paperwork must be delivered to <u>building inspections opportlandmaine gov</u> or by physical means ie; a thumb drive or CD to the office.

Room 315 - 389 Congress Street-Portland, Maine 04101 (207) 874-8703 - Fax: 874-8716 - TTY: 874-8936

Commercial Interior & Change of Use Permit Application Checklist

One (1) complete set of construction drawings must include:

	essional and bear their seal. Cross sections w/framing details Detail of any new walls or permanent partitions Floor plans and elevations Window and door schedules Complete electrical and plumbing layout. Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment, HVAC equipment or other types of work that may require special review Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009 Proof of ownership is required if it is inconsistent with the assessors records. Reduced plans or electronic files in PDF format are required. Per State Fire Marshall, all new bathrooms must be ADA compliant.
Separ	ate permits are required for internal and external plumbing, HVAC & electrical installations
	ditions less than 500 sq. ft. or that does not affect parking or traffic, a site plan tion should be filed including:
	The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines. Location and dimensions of parking areas and driveways, street spaces and building frontage. Dimensional floor plan of existing space and dimensional floor plan of proposed space.
	nor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. ulatively within a 3-year period)

Pire Department requirements.

The following shall be submitted on a separate sheet:

Name, address and phone number of applicant and the project architect.

Proposed use of structure (NFPA and IBC classification)

Proposed use of structure (NFPA and IBC classification)

Square footage of proposed structure (total and per story)

Existing and proposed fire protection of structure.

Separate plans shall be submitted for

- a) Suppression system
- b) Detection System (separate permit is required)
- A separate Life Safety Plan must include:
 - a) Fire resistance ratings of all means of egress
 - b) Travel distance from most remote point to exit discharge
 - c) Location of any required fire extinguishers
 - d) Location of emergency lighting
 - e) Location of exit signs
 - f) NFPA 101 code summary

Elevators shall be sized to fit an 80" x 24" stretcher.

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$25.00 for the first \$1000.00 construction cost, \$11.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.

General Building Permit Application

If you or the property owner owes real estate or personal property taxes or user charges on any property within the City, payment arrangements must be made before permits of any kind are accepted.
