RE: 202 Kennebec Street
CBL: 034 A011
ZONE: B-2b

Dear Mr. Shinberg:

You had an interpretation appeal and a variance appeal for the same property on the agenda at the July 14, 2011 Zoning Board of Appeals meeting. The Zoning Board of Appeals voted 6-0 to deny your interpretation appeal to overturn the Zoning Administrator's determination that the nonconforming use of the property had been abandoned. The Board of voted 4-2 to grant the variance appeal to allow the property to be used as a warehouse. I am enclosing copies of the Board's decisions.

I am also enclosing the Certificate of Variance Approval. **The original must be recorded in the Cumberland County Registry of Deeds within 90 days of July 14, 2011, when it was signed.** Failure to record the Certificate will result in it being voided. Our office must be provided with a copy of the recorded Certificate of Variance showing the recorded book and page.

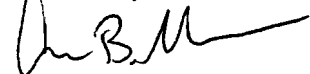

You will also find two invoices, one for \$117.15 and one for \$67.15 for the fees that are still owed on the appeals for the cost of the legal ads, the cost of the noticing and the processing fee. Please submit your payment on receipt of the invoices.

Now that the variance appeal has been approved, you need to apply for a demolition permit to demolish the existing warehouse. You have already applied for a building permit (#2011-04-815) to rebuild the warehouse on the existing footprint. If you need to submit any revisions or additional information for the permit please do so. The permit will not be issued until we receive a copy of the recorded Certificate of Variance. The building permit must be issued and construction begun within six months of the date of the hearing, July 14, 2011 referenced under section 14-473(e), or the Zoning Board approval will expire. You also need to contact Barbara Barhydt in the Planning Division at 874-8699 to discuss which Site Plan Application you will have to apply for to rebuild the warehouse.

Appeals from decisions of the Board may be filed in Superior Court in accordance with Rule 80B of the Maine Rules of Civil Procedure.

Should you have any questions please feel free to contact me at 207-874-8709.

Yours truly,

"Undue Hardship" Variance Appeal

DECISION

Date of public hearing: July 14, 2011

Name and address of applicant: Bayside Ventures II, LLC
50 Portland Pier
Portland, ME 04101

Location of property under appeal: 202 Kennebec Street

For the Record:

Names and addresses of witnesses (proponents, opponents and others):

- Greg Shinberg
- Jim Hanley

Exhibits admitted (e.g. renderings, reports, etc.):

- letter dated 6/20/11 from Greg Shinberg
- Satellite street map
- Zoning map
- photos of warehouse
- letter dated 5/23/11 from James Hanley

Findings of Fact and Conclusions of Law:

The applicant is requesting an "undue hardship" variance from section 14-182 of the Portland Land Use Code. That section sets forth the permitted uses in the B-2b zone. The applicant intends to use the building on the property as a warehouse, which is not a permitted use in the zone.

"Undue Hardship" Variance standard pursuant to Portland City Code §14-473(c)(1):

1. The land in question cannot yield a reasonable return unless a variance is granted. (Note: "Failure to yield a 'reasonable return' means 'the practical loss of all beneficial use of the land.' . . . Reasonable return does not mean maximum return." *Rowe v. City of South Portland*, 730 A.2d 673, 675 (Me. 1999) (citations omitted).)

Satisfied 6 Not Satisfied 0

Reason and supporting facts:

- Applicant did economic analysis -
- Parking was incidental benefit
- Applicant tried to rent-out space to no avail for other use
- lot size is long & narrow - making it difficult for alternate uses (non-warehouse) use.

2. The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood.

Satisfied 6 Not Satisfied 0

Reason and supporting facts:

- lot size is narrow
- warehouse ^{shares wall with} is ~~part of~~ Century two's warehouse
- parking lot is used for properties across the street
- business across the street are in a different zone.

3. The granting of a variance will not alter the essential character of the locality.

Satisfied 10 Not Satisfied 0

Reason and supporting facts:

- abutting property is industrial
- will be rebuilding same essential structure.

4. The hardship is not the result of action taken by the applicant or a prior owner.

Satisfied 4 Not Satisfied 2

Reason and supporting facts:

- property has been vacant for 5 years
- ~~the~~ property has been marketed for ~~the~~ rental without success.

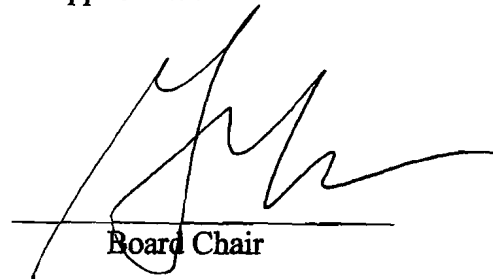

Conclusion: (check one)

Option 1: The Board finds that the standards described above (1 through 4) have been satisfied and therefore GRANTS the application.

Option 2: The Board finds that while the standards described above (1 through 4) have been satisfied, certain additional conditions must be imposed to minimize adverse effects on other property in the neighborhood, and therefore GRANTS the application SUBJECT TO THE FOLLOWING CONDITIONS:

Option 3: The Board finds that the standards described above (1 through 4) have NOT all been satisfied and therefore DENIES the application.

Except as specifically provided by the ordinance, a variance may be granted by the Board only where strict application of the ordinance, or a provision thereof, to the petitioner and his property would cause undue hardship. In order for the Board to find "undue hardship", the applicant must answer ALL of the following questions, and provide supporting evidence. The Board will consider this evidence in deciding whether to grant the appeal.

1. Can the land yield a reasonable return (not the highest return) without the granting of a variance?

Yes _____ (deny the appeal) No

Reasons THE ONLY PRACTICAL USE IS A WAREHOUSE. LOCAL

REALTORS HAVE BEEN UNABLE TO SECURE A TENANT THAT WOULD LEASE THIS PROPERTY AS AN OFFICE OR ANY OTHER PERMITTED USE.

2. Are there factors which are unique to this property, and not to the general conditions of the neighborhood, which create a need for a variance?

Yes No _____ (deny the appeal)

Reasons THE PROPERTY IS SPLIT BY KENNEBEC ST. THE ENTERPRISE

BUILDING IS LOCATED IN THE B5 ZONE AND THE WAREHOUSE IS LOCATED IN THE B(2)6 ZONE

3. Will the granting of the variance alter the essential character of the locality?

Yes _____ (deny the appeal) No

Reasons GRANTING THE VARIANCE WILL ALLOW THE OWNER TO REBUILD THE EXISTING WAREHOUSE TO THE SAME SIZE & SHAPE.

4. Is the hardship a result of the action taken by the applicant or a prior owner (self-created hardship)?

Yes _____ (deny the appeal) No

Reasons THE WAREHOUSE WAS A PERMITTED USE WHEN IT WAS CONSTRUCTED 60 +/- YEARS AGO.

It is up to the applicant to decide whether to file an appeal after reviewing the above requirements.

Re: 202 Kennebec Street Variance Appeal Application
Date: June 20, 2011

On behalf of Bayside Ventures II, Owner of 202 Kennebec Street we are asking you to consider this application for a Variance Appeal Application.

The warehouse located at 202 Kennebec Street was once used as a warehouse to support the building located across Kennebec Street which is now the Enterprise Car Rental facility. The property was purchased by the current owner in 2006. The property is now located in two different zones. The Enterprise building is located in the B5 zone and the warehouse is located in the B2(b) zone.

It should also be noted that what appears to be one long building is actually two separate properties. The end of the building closest to Hanover Street is owned by Century Tire and is still used today as a warehouse.

Today, the B(2)b zone does not permit a warehouse. Given the long and narrow shape of the building and property, the only reasonable option is to maintain the use as a warehouse. Working with local realtors we have been unable to find a tenant that will lease this part of the property for an office or any other use that is permitted in this zone.

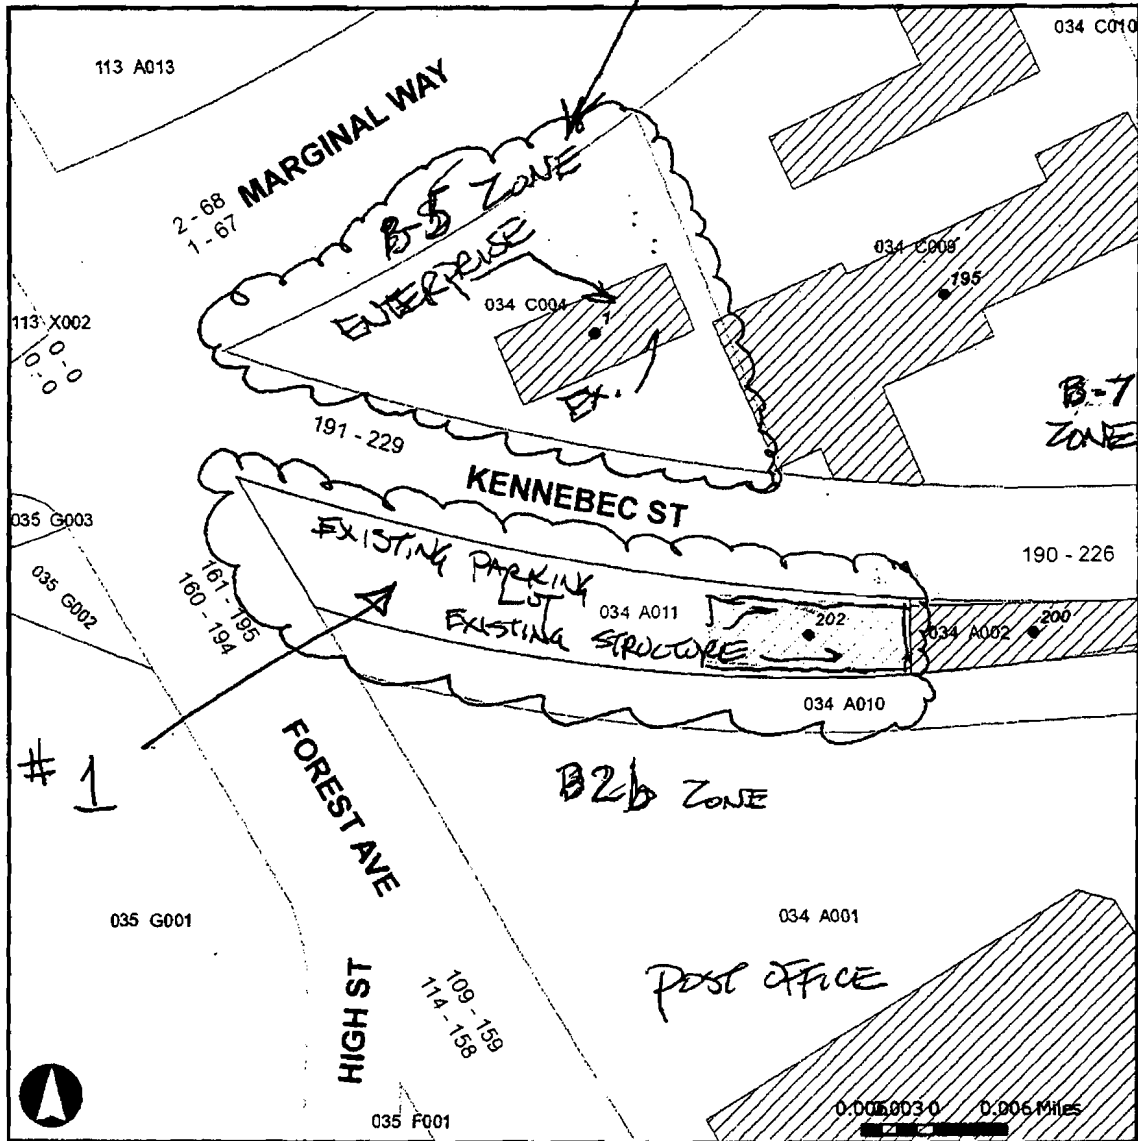

We respectfully request that you grant this request for a Variance and allow us to use the building once again as a warehouse, its original intended use.
