

Accessibility Building Code Certificate

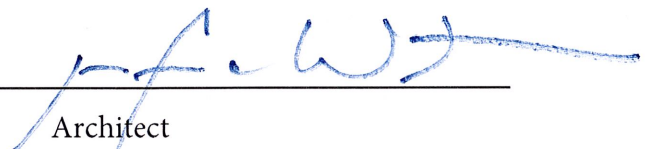

Designer: Josef Chalat, Architect

Address of Project: 68 Marginal Way, Portland Maine

Nature of Project: The project consists of creating 6 private offices in an area that is used as open work area and enlarging a closet for equipment

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
