Nell -

This looks much better !

Thanks - will send an email to that regard

Jeff t

All,

The Century Tire folks have modified their plans a bit based on some interim comments and debate about the dumpsters, and the revised plans are attached. The changes are mostly landscaping and transportation related. There should also be a revised survey in the attached, I believe.

We are still trying to meet a deadline of next Wednesday for comments. I hope this isn't too much pressure!

Thanks for all your help, and enjoy the warm weather!

Nell
