Hello Lannie:

Attached is a revised drawing (A10.1) for the 84 Marginal Way, 9th floor - InterMed project. Some of the glass walls were changed to be completed with drywall instead of glass. Please let us know if you require additional documentation and/or if you have any questions.

Thank you,

Andy Garcia

Subject: 84 Marginal Way - Approved Permit

Please see attached approved permit.

One set of printed approved construction documents shall be kept at the site of work and shall be open to inspection by building officials. (Section 107.3.1 of the Maine Uniform Building and Energy Code (MUBEC)).

Notice: Under Maine law, documents - including e-mails - in the possession of public officials or city employees about government business may be classified as public records. There are very few exceptions. As a result, please be advised that what is written in an e-mail could be released to the public and/or the media if requested.
