Hi Christina,

I will let Steven know you are expecting the insurance certificate to finalize the permit approval.

The banners will be made of 13oz vinyl banner material.

Please let me know if you have any other questions regarding the application.

Hi Deanna,

I am looking at the permit application for the new Coastal Pharmacy signs. I've already e-mailed a bit with Stephen Drapeau and he knows that we need to get his Certificate of Liability before we can actually issue the permit. If you can just let him know that it can be e-mailed to me at any time, I would appreciate it.

Also, a quick question for you - what material will the new banners be constructed of?

Thank you!  
Chris
