| Note: The CBL for the property is not correct, but it is the closest. The area where the air quality monitoring station is going belongs to MDOT on Chart 113, but there is no Block letter or Lot # assigned to it since it is part of the MDOT land for I295. An air quality monitoring station is not listed as a since it is an permitted use in the ROS zone but it falls under the definition of Emergency operations (section 14-47) since it is an operation "...conducted for the public health, safety or general welfare..." | | | Ok to Issue: <input checked="" type="checkbox"/> |
