Ben Wallace,

In regards to the Safety Check Inspection conducted at 19-21 Sherman Street - CBL 036 E017001 - I offer the following actions that have been taken, or are planned to be taken.

<b>Code</b>	<b>Type</b>	<b>Location</b>
D-NFPA10	Doors to be 1-hour fire rated	1 <sup>st</sup> floor rear/2nd floor pocket Basement Door

Action(s): 90-minute fire rated doors to be installed the week of ~ 6/9/08. I am working with John Cyr Construction and Loranger doors. All doors have been measured and ordered and I am waiting for John Cyr to finish his current project at Inn by the Sea, which has been delayed slightly. The pocket door is being replaced with fire-rated sheet rock.

<b>Code</b>	<b>Type</b>	<b>Location</b>
19-3.6.3	Unit doors 20-minute fire rating	Second floor rear between units

Action: As above, 90-minute fire rated doors to be installed the week of ~6/9/08.

<b>Code</b>	<b>Type</b>	<b>Location</b>
19-3.4.4.1	SD in the area of SLPG Room NFPA72	Second floor units outside of bedrooms

Action: Smoke detectors have been installed as directed.

<b>Code</b>	<b>Type</b>	<b>Location</b>
NFPA30	Remove flammable liquids	Remove paint from basement

Action: Paint has been removed from basement.

Please feel free to contact me should you require additional information.
