RE: Subpoena Request For City Ordinance

Dear Code Enforcement Officer;

On 4-6-15 I wrote your office requesting information on the City Code Requirements for "Porches - Outside Hand Railings", for one flight of stairs. More specifically, "What is the maximum width the top stair hand railing can be"? I.e., is a six (6") board okay to use as a hand railing?

I am seeking a copy of the City's Ordinance which Homeowners, or apartment owners must follow that is required to be used as an entrance to a building, up one flight of stairs.

Thank you for your attention to this matter.
