Re: Gordon Simonds

Dear Barry:

I am following up on our discussions with you over the last several weeks. We have not received any updated plans, nor have we received any permit application, for the work Mr. Simonds promised to do to his High Street property to bring it into compliance with the City's various applicable codes. As you know the City has been more than patient in waiting for this work to be accomplished, rather than immediately posting the building and requiring its discontinuance as a lodging house pending compliance.

Do you have any updated information as to when, or if, your client intends to finish the requisite work?

Thank you for your attention to this matter.

Sincerely,

  
Penny Littell
