Subj: Extermination service for 241 High St. Portland, ME Apt# 1

This letter is to inform you that the extermination service for 241 High St. Portland, ME Apt# 1 were conducted on 14 Oct 2014 for both roaches and bed bugs. A few live roaches were noted at the time of service, however no live bed bugs were noted during the treatment. We will follow up on the roach situation within two weeks.

For questions please contact me at 207-319-8324.

Thank you

Jim Carter
