Hi Capt Petruccelli,

I have attached the photos you requested showing the 5 deficiencies we fixed at 88 Forest ave in the basement. Each photo is labeled and include:

1. Sprinkler head over Rinai heater
2. Sprinkler head over gas dryer
3. Combo fire/CO2 alarm in basement hardwired
4. Cover Plate on electrical box in laundry room
5. Plug on electrical box in laundry room

Hope this is satisfactory. Please let us know either way. Appreciate your help with this.

Sincerely, Steve Brinn
