RE: Signage for Aquarius Ballroom Dance Studios

Dear Sergei:

This letter will serve as notice that the owners of 415 Cumberland, LLC have given their permission for your most recent sign proof as designed by Signarama in Saco, Maine. As discussed previously, the sign bracket should be similar to the one being used by Uptown Antiques in order to provide us with conformity.

Please be sure that you acquire the necessary permits from the City of Portland and be sure that Signarama installs the sign according to the standards required by the City of Portland.

If you have any questions, I can be reached at (207) 865-9790.

Sincerely,

Lori-Ann Touchette
Assistant Property Manager
