I am the owner of M&A Lowcountry Investments, LLC, which owns 415 Cumberland Avenue. I was originally going to renovate this building, but have decided to sell the building instead. I have an elected purchase and sale agreement and the building is expected to close this week. I previously paid \$12,860.00 (application no 201602614) for a Certificate of Occupancy and changes of use. As I am no longer going to go through with this project, I am requesting a refund of these fees. Please note that the business address has changed. The correct address is listed below.

Thank you,
