RE: Signage for Uptown Antiques and Treasures at 415 Cumberland Avenue

Dear Charles:

This letter will serve as notice that the owners of 415 Cumberland, LLC have given their permission for your most recent sign proof and sign bracket as designed by Signarama in Saco, Maine. They have also given their permission for you to install the sign if you can do so in a safe and professional manner given that you previously owned a sign installation company.

If you have any questions, I can be reached at (207) 865-9790.

Sincerely,

Lori-Ann Touchette
Assistant Property Manager
