Jean – My prior Final Traffic Comments apply to the revised project. If you have any questions, please contact me.

Thanks

Hi Jean – I have reviewed the project application materials and I find conditions to be acceptable. I would suggest a condition of approval that notes the parking tandem parking spaces be designated for the residential units only (or for low turnover use). Backing maneuvers onto Forest Avenue should be minimized given vehicle and pedestrian traffic levels.

If you have any questions, please contact me.

Best regards,

Thomas A. Errico, PE
