**STATE OF MAINE**

The undersigned, being a registered surveyor of the State of Maine certifies: Greystone Services Corporation, Inc., Fannie Mae, their successors and assigns, Lone Palm, LLC and Lawyers Title Insurance Company.

- This map or plat and the survey on which it is based were made in accordance with the "Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys," jointly established and adopted by the American Land Title Association and the American Congress on Surveying and Mapping in 1977, REVISED and effective January 1, 2006 and this survey meets the requirement for an Urban Survey as Defined therein.
- The survey was made on the ground on July, 2006, and correctly shows the area of the subject property, the location and type of all buildings, structures and other improvements situated on the subject property, and any other matters situated on the subject property.
- There are no visible easements or rights of way of which the undersigned is been advised.
- There are no observable, above ground encroachments (a) by the improvements on the subject property upon adjoining properties, streets or alleys, or (b) by the improvements on adjoining properties, streets or alleys upon the subject property.
- The location of each easement, right of way, servitude, and other matter affecting the subject property and listed in the Title Insurance commitment dated July 14, 2006, issued by Lawyers Title Insurance Company with respect to the subject property, is shown on the survey, together with appropriate recording references, to the extent that such matters can be located. The location of all improvements on the subject property is in accord with minimum setback provisions and restrictions of recorded referenced in such title commitment.
- The subject property has access to and from a duly dedicated and accepted public street or highway.
- The subject property does not serve any adjoining property for drainage, utilities, or ingress or egress.
- The record notes and bounds description of the subject property does not offer enough information to form a mathematically closed figure.
- No portion of the property shown on this survey lies within a Special Hazard Area, as distributed on the Flood Insurance Rate Map for the community in which the subject property is located, Portland, Maine Community-Fund number 230051 00138, Zone C.
- The certificates related that certain survey numbered 06-43 and dated July 31, 2006, made by THA LAND SURVEYORS, covering ALTA/ACSM LAND TITLE SURVEY of 37 Forest Avenue and 102 Portland Street Portland, Maine.

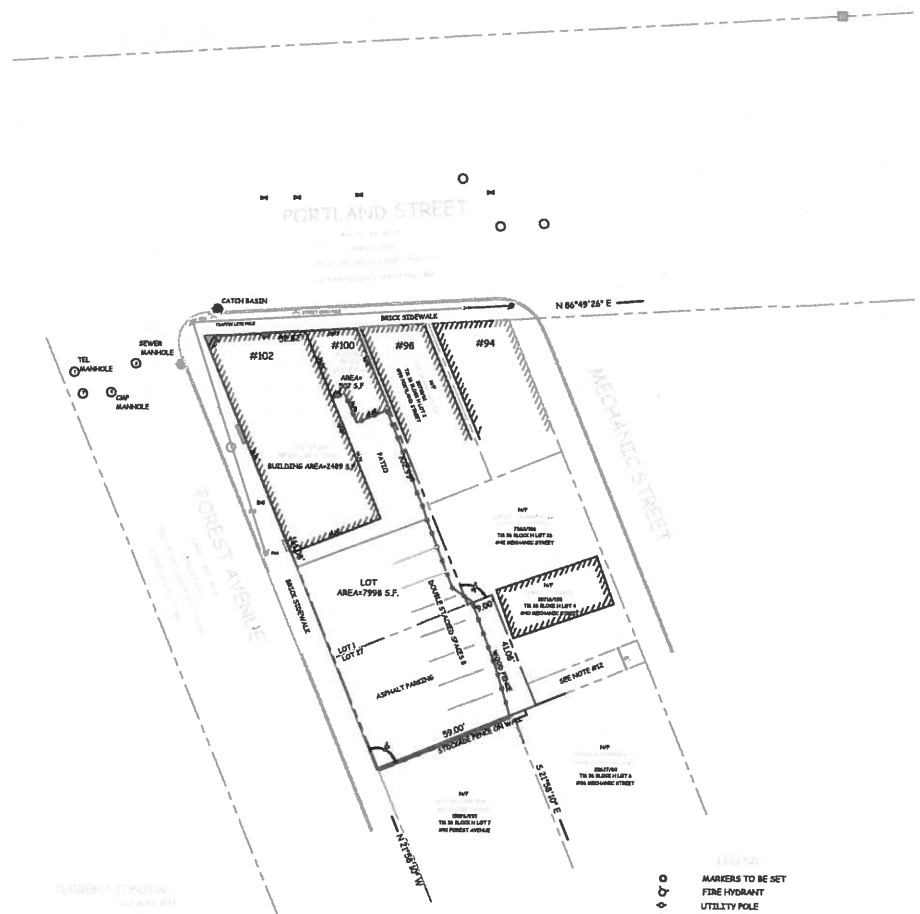

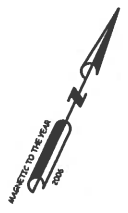

The parties above are entitled to rely on the survey and this certificate as being true and accurate.
