(a) Purpose. The purpose of this provision is to establish a process whereby certain dwellings which contain more dwelling units than the number permitted by the applicable provisions of the Land Use Code may be recognized as legal, nonconforming uses. This provision shall not apply to rooming units.

(b) Approval by Zoning Administrator.

1. Application. Application for validation of such non-conforming dwelling units shall be on a form provided by the Division of Housing and Neighborhood Services, Inspection Services Office. The application fee will be \$300.00 for each dwelling unit which is the subject of the application, and will be accompanied by: (i) a plan, drawn to scale, which shows the location of the building(s) on the lot, parking, easements, dumpsters, fencing, public ways and any other significant feature and (ii) a floor plan for each unit in the dwelling, whether or not it is the subject of the application.

(c) Eligibility. In order for a nonconforming dwelling unit to be validated by administrative action of the Zoning Administrator as authorized herein, the Zoning Administrator must find, based on competent evidence, supported by public records, that:

1. The nonconforming dwelling units were either in existence April 1, 1995, or the structure in which they are located was originally designed to accommodate more than the number of such units presently in use.
2. The applicant neither constructed nor established the non-conforming dwelling units.
3. The nonconforming dwelling units comply with or can be made to comply with current standards of the National Fire Protection Association Life Safety Code (§16-1) and the National Fire Protection Association 1: Fire Prevention Code (§10-16), as amended.
4. Each of the nonconforming dwelling units complies with provisions of the City's Housing Code or can be made to conform with, as amended, including, but not limited to, the requirements of §6-110, Minimum Standards for Space and Occupancy and §6-111, Minimum Plumbing Standards, and §6-112 Minimum Ventilation Standards.
5. The structure containing the nonconforming dwelling units is located in the R-3, R-4, R-5, R-6 or R-7 Zones; or the B-1, B-1(b), B-2, B-2(b) or B-3 Zones.

In the absence of legally competent evidence, supported by records, (such as, but not limited to, Assessor's records, purchase and sale agreements, affidavits, deeds, mortgages, as well as reliable secondary sources, such as the Portland Director), that the conditions of subsections c(1), C(2), c(3), c(4), or c(5) can be met, the Zoning Administrator may not approve the application, but shall advise the applicant that the matter may be appealed to the Board of Appeals.

(d) Notice to Abutters. Upon receipt of a completed application, the Zoning Administrator will provide both the owners of abutting properties as well as the owners of property situated within 300 feet of the structure of the essential information contained in the application, along with a notice that they may object to the Zoning Administrator's acting on the application and require the applicant to appeal to the Board of Appeals. The notice shall be in conspicuous type and advise the abutters and owners of property within 300 feet that any objection must be submitted in writing to the Zoning Administrator within ten (10) days of the date of the notice

The failure of any property owner to receive the notice described above shall not invalidate any action by the Zoning Administrator. The Zoning Administrator shall promptly notify the applicant of receipt of the objection that the Zoning Administrator is without authority to proceed and advise the applicant that, within 30 days from receipt of the letter, an application may be filed to have the matter reviewed by the Board of Appeals as a conditional use.

(e) Approval of Application.

1. The Zoning Administrator may approve the application, provided: (i) the evidence presented satisfies all of the requirements of this section; (ii) the Office of Inspection Services and Fire Prevention Bureau have certified that the nonconforming units conform with or can be made to conform with the applicable codes; and (iii) no abutter nor person entitled to notice has requested that the application be referred to the Board of Appeals, instead of the Zoning Administrator.
2. Upon approval of the application and receipt of an additional fee in the amount of \$75.00 for each nonconforming dwelling unit which has been recognized as a lawful, nonconforming use, the Zoning Administrator will issue a certificate of occupancy.

(f) Disapproval of Application.
