Dear Zoning Administrator,

I understand that our friend and tenant, Kate Pendleton, is applying for a permit to allow child-care services in her apartment located on the second floor of Mechanic Street in Portland. As joint owners of the building, my wife Susan and I (both undersigned) have been asked to convey our consent for this change of use. Please consider this letter to represent our official and unexpiring approval of her home occupation. Please feel free to contact us above if there are any questions. Thank you for your time.

Sincerely,

Robert Sylvain
