Building Permit Amendment

We would like to submit an amendment to Building Permit No. 2013-00643. The original application was submitted to the Inspections Office via USB drive. Attached are PDFs reflecting the amendments. The three proposed changes are as follows:

- 1) The first floor bar to be reduced in size with a change of shape
- 2) The second floor two new ADA bathroom dimensions change by moving one wall by 16", while maintaining ADA regulation guidelines
- 3) The bar depicted on the second floor plan is changed to a straight shape

The estimated cost of work for these changes is \$5,000. The \$70 permit application fee will be paid over the phone by credit card upon submittal.

Should there be any questions I can be reached directly on my mobile (207) 406-0344 or by email theresa@portlandempire.com.

Thank you for your time,
Theresa Chan
