Hello Tom,
Portland Shambhala Center on Oak St is about to finalize our sign design and application for the City. The City of Portland needs a letter from our landlord/building owner approving our sign design. We think an email may be enough.

I've attached all 4 potential sign designs. If you could please "reply all" and give your approval for all of the attached designs...that might work.

Unless you have questions or comments, please get back to me .

Thanks for your help,

Kathy Bither

I approve all the designs so long as you get City approvals and have a qualified person hang it.
