**RE: AMEC 511 Congress Street – Portland, Maine
SPRINKLER SYSTEM COMPLIANCE LETTER**

This letter certifies that the Sprinkler System modified at **511 Congress Street Portland**, is in compliance with NFPA 13, State, and local codes.

The work completed on December 28th, 2011 by Eastern Fire consisted of relocating sprinkler heads on the second & fourth floors to accommodate new wall and ceiling layouts.

The existing sprinkler riser, and alarm devices were not modified, and remain as is.

Please let us know if you have any questions or require any additional information.
