Hi,

This is an empty space other than the bathroom and very small office. I can get you those size dimensions tomorrow. We aren't planning to change anything structural, electric, or plumbing. There's no parking at this location other than that which is metered across the street from the store. Do I still need to include a plot plan when there is no parking?

Thanks,

Laurie

Laurie a true floor plan shows dimensions and any walls/partitions. Is this a completely empty space, or are you contemplating ANY structural changes, electric or plumbing changes? You are also doing a change of use to retail, so a plot plan is a requirement showing the parking (if there is any) etc with dimensions. Please review the checklist for requirements.

The Inspections Division has received your application and has done a preliminary completeness check of your documents. It has been determined that your application does not meet the standard requirements. Please review the application fields, the items required within the checklist, and [Applicant Submittal Requirements for Electronic Plan Review](#). Please resubmit your entire application with the appropriate changes and supporting documents accordingly.

Hi,

I faxed in the copy of our lease to the fax number listed for your department. Please let me know if there's anything else needed.

Thanks,

Laurie Gillen
