Hi Ann,

I am contacting you regarding 37 Casco Street, CBL 037D007001. We are currently under contract and I was hoping you could send a letter including the following: (A) confirmation of the number of units in the building, (B) that there are no outstanding violations, (C) confirmation that according to zoning, there is the potential to add additional units. Let me know if you need more information from me. Thanks very much.

Bianca
