In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information, visit us on-line at WWW.PORTLANDMAINE.GOV, stop by the Building Inspections Office, room 315 City Hall, or call 207-874-8703.

I hereby certify I am the Owner of record of the named property, or that the owner of record authorizes the proposed work and that I have been authorized by the owner to make this application as his/her authorized agent. I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the Code Official's authorized representative shall have the authority to enter all areas covered by this permit of any reasonable hour to enforce the provisions of the codes applicable to this permit.

Signature of Applicant: [Signature] Date: 10-30-13

Sign Permit Application

Sidewalk Sign Permit

One sign per establishment for each street frontage having a public entrance, provided that all dimension and location standards are met. When standards would not otherwise permit a sign, a sign may consist of multiple listings.

Sign Dimensions

Single Listing: Maximum width is 24 inches or such lesser width sufficient to retain 4 ½ feet of unobstructed sidewalk width perpendicular to major flows. Maximum height is 40 inches to top of sign in place. Minimum height is 30 inches to top of sign in place.

Multiple Listings: Maximum width is 30 inches or such lesser width sufficient to retain 4 ½ feet of unobstructed sidewalk width perpendicular to major flows. Maximum height is 40 inches to top of sign in place. Minimum height is 30 inches to top of sign in place.

Location

Minimum distance between signs is 20 feet. Maximum distance of sign from public entrance of advertiser is 20 feet. The City may vary these distances for exceptional physical circumstances where public safety and streetscape aesthetics will be maintained. However, under no circumstances shall signs obstruct vehicular stops, benches, fire hydrants or other street visual amenities. Signs shall be located near the curb rather than the building face.

Materials and Graphics

All signs shall be of an A-frame type design, shall be constructed of durable, weather-resistant materials and finish, shall have no moving parts and shall be non-electrified. All signs shall be maintained in a clean and original appearance. Sign materials, graphics and finish shall be of a unified design and shall be compatible with the local streetscape. All signs shall have horizontal braces spanning each side of the sign to assure rigid support. Lettering shall be legible and consistent.

Sign Removal

All signs shall be removed when the business is closed or while any snow or ice exists on the walk within eight feet of the sign in any direction.

Insurance

No permit shall be issued unless the applicant has posted in advance with the City a Certificate of Liability listing the City as additional insured in the amount of \$400,000.00.

Enforcement

If the sign does not conform to the standards outlined, the permit may be revoked and once the owner has been notified, the sign could be removed.

Checklist

To apply for a sign permit, stop by the Inspections Division, Portland City Hall, 389 Congress Street, room 315 with:

- Certificate of liability insurance
- Drawing of sign showing dimensions and design work
- Payment of fees: twenty five dollars (\$25.00) plus twenty cents (.20) per s.f. of signage
- Complete application with pre-application questionnaire and checklist complete
