November 5, 1986

RE: Congress Square, Portland, Maine

Bonafico
141 Main St.
South Portland, Maine 04106

Dear Sir:

Your application to construct a foundation for proposed office condominium has been reviewed and a permit is herewith issued subject to the following requirements:

Site Plan Review Requirement
Inspection Services Approved W. J. Turner 11/4/86
Planning Division Approved with conditions
1. See attached: Approval letter
Comments of Charles Shannon
Comments of Robert Roy

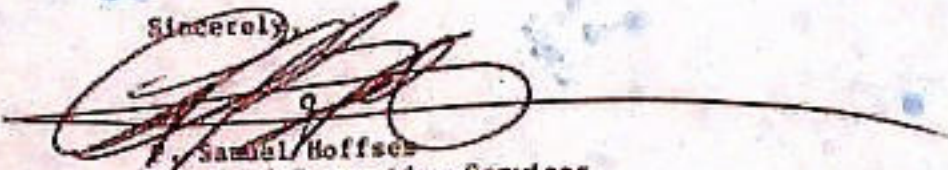

Mr. P. J. Meyer 10/22/86
Fire Dept. Approved Lt. Collins 7/28/86
Public Works Approved with conditions:

1. Any damage done to the existing curb and sidewalk along High Street during construction shall be repaired or reconstructed to the City's satisfaction and at contractor's expense; and,
2. Location and method of making the proposed sewer connection must be approved by the Sewer Division of Parks and Public Works. B. J. Roy 10/6/86.

- Building Code Requirements
1. All lot lines shall be clearly marked before calling for a foundation inspection; and,
 2. Please find attached a copy of Article 18 of the Portland Building Code.

If you have any questions on the requirements, please call.

Sincerely,

Samuel Hoffsee
Chief of Inspection Services
