- (a) the tangible personal property owned by the Seller and used in the Business, including without limitation those items listed on Schedule 1.1(a), but excluding all saleable items for the convenience store portion of the Business;
- (b) all telephone numbers associated with the Business;
- (c) all of Seller's warranty claims against suppliers or manufacturers; and
- (d) originals or copies of all written information and records related to or used or useful in the Business, apart from corporate and tax records and privileged communications, but including all other documents and records in Seller's possession relating to the Acquired Assets.

1.2. "Excluded Assets" means all assets of the Seller of every nature and type apart from the Acquired Assets.

1.3. "Person" means an individual, a partnership, a corporation, an association, a joint stock company, a limited liability company or partnership, a trust, a joint venture, an unincorporated organization, or a governmental entity (or any department, agency, or political subdivision thereof).

1.4. "Tax" means any federal, state, local, or foreign income, gross receipts, license, payroll, employment, excise, severance, stamp, occupation, premium, windfall profits,

environmental, customs duties, capital stock, franchise, profits, withholding, social security (or similar), unemployment, disability, real property, personal property, sales, use transfer, registration, value added, alternative or add-on minimum, estimated, or other tax of any kind whatsoever, including any interest, penalty, or addition thereto, whether disputed or not.

1.5. General.

(a) Other terms may be defined in particular sections throughout this Agreement and the Exhibits and Schedules attached.

(b) The singular form of any word used herein, including the terms defined in Article 1 hereof, shall include the plural, and vice versa. The use of a word of any gender shall include both genders.

(c) Unless otherwise specified, references to Articles, Sections and other subdivisions of this Agreement are to the designated Articles, Sections and other subdivisions of this Agreement as originally executed. The words "hereof," "herein," "hereunder" and words of similar import refer to this Agreement as a whole.

(d) The headings or titles of the several Articles and Sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect of the provisions hereof.

(e) The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent and no rule of strict construction will be applied against either party except with respect to identification of the items and rights to be conveyed and acquired, which is specific and exclusive in its description. Without limiting the generality of the foregoing, the language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning, strictly neither for nor against any party hereto, and without implying a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the Person who or which drafted the same. It is hereby agreed that representatives of both parties have participated in the preparation hereof.
